Paryavaran-Niti

(A workshop addressing recent trends in Environmental technologies)

Resource Persons:

Shravani Mhetar (BTech Env)

Bhavik Shinde (TY Env)

Duration (in Days): 2 days.

Fees: ₹ 150 /-

Description:

Paryavran-Niti is a workshop that addresses the current running topics to Environmental Sciences. The workshop focuses on learning the basics of Environmental terms required to make a sustainable day to day living.

The topics to be covered are

1. Basics of SDG and ESG
2. Circular economy and waste management
3. EIA and LCA.

As the workshop includes a variety of experimental and practical learning, it will be easy to grasp for the participants despite their professional background.

The topics mentioned above will be covered in a span of 2 days. All the necessary study materials and other essentials will be provided by us.
